

Truce All-Purpose Cleaner - A unique product for a unique time (free)

Friends of MAC⁶,

In support of individuals and businesses who may be having difficulty sourcing environmentally friendly cleaning products, we have partnered with Truce to make 1000 16-OZ bottles of [Truce All Purpose Cleaner](#) available at no cost to our local community. Why?

- Because we can!
- Truce All-Purpose Cleaner is a Unique Product for a Unique Time
- Truce is a home-grown Arizona startup with a great story

Eligibility: You are eligible if you are an individual or business who values a unique chemical free cleaning product. While our supply lasts, we are offering:

- Individuals and Smaller Businesses (less than 10 employees) – One, 16 Oz Bottle for your home or small business, at no cost
- Larger Businesses (10 or more employees): One Six-Pack of 16 Oz Bottles for your business, at no cost

Location: Our inventory of Truce All-Purpose Cleaner is located at MAC⁶, 1430 W. Broadway, Suite 101, Tempe, AZ 85282.

When and How: Weekdays between 9 and 10 AM. During the current coronavirus situation our MAC⁶ Team is (mostly) working from home, but our current process is that one of us will be at the office each business day between 9 and 10 AM. (Schedules may change, so please email Scott.McIntosh@MAC6.com to confirm pick up arrangements.)

Next Steps – Simply reply to this email to let us know when you would like to stop by (between 9 and 10AM weekdays) to pick up your free bottle or six pack. We'll have inventory of bottles and six packs sitting outside, you don't even need to go inside. Hand wipes, Truce Cleaner and paper towels will be available.

Visit the [Truce](#) website to learn more about the product, including a complete ingredients list (you could make it at home, but why?) And for clarity before any asks, NO, Truce is not certified to kill coronavirus. Truce is however a GREAT All-Purpose cleaning product, made to eliminate harsh chemicals, and provide peace of mind for people by creating a safe environment for their homes, pets, businesses and more.
