Risen Lord Montessori School seeks students who will thrive in our mixed-age environment that offers freedom of choice within limits and supports the development of autonomy, intellectual curiosity, and personal and social responsibility. Families are expected to work with the school in a spirit of collaboration that will support their child and the school's mission. Children between the ages of 3 to 6 years who are reliably toilet-trained and demonstrating readiness (social and academic) are considered eligible for our program. The "Kindergarten" year is the final and culminating year of the preschool program.
