### ART IN THE FORM OF FILM

#### ELF / DEC 17 FRIDAY 5:45-9pm

The delightful Christmas film features Will Ferrell as an elf man-child who was mistakenly raised in the North Pole among the regular elves. He sets off to NYC in search of his biological father, while still fully attired in his green elf apparel, including the hat. The film is nostalgic, goofy, and filled with the best kind of warm holiday spirit as Ferrell's basic sweetness works his way into our hearts, and that of his birth family who initially doubts and rejects him. Instructor Paul Marino leads the discussion. Sponsor: Chases on the Beach - Where It's Always Sunny. \$7 includes glass of wine or bottle of water
