An event for Alzheimer's caregivers and their loved ones

Attention All Alzheimer's Family Caregivers

Come attend an education presentation while your loved one participates in our Memories In The Making Watercolor Class. We will discuss how Alzheimer's affects a person's ability to communicate. We will also discover how to decode the verbal and behavioral messages delivered by someone with dementia, and identify strategies to help you connect and communicate at each stage of the disease. Then after the presentation enjoy painting and socializing with your loved one in the painting class. There will also be a lunch provided. Sign up today! Seats are limited.
