GALLERY WALK EXHIBITION & SALE
Opening Reception 4-7pm

THE FOUNDERS GALLERY *Enzology – Living Healthier, Happier & Longer* by Enzo Trapani, MD. We all understand that the color blue is considered calming. Reds, oranges and yellows evoke stimulating responses. It's also scientifically accepted that the arts have a therapeutic effect. Enzo Trapani, MD, renowned artist and neurologist, has taken these basic

concepts much further. Based on many years of research, his exhibition shows how color, art and the environment combine to both promote and restore physical and mental health. Experience this exhibition and feel better! Artist's Talk, 6pm. Exhibition through May 1.

On 1st Saturday only, Hub Members receive a 10% discount on purchases from the opening exhibit in gallery.

ART CONNECTIONS 10am-7pm Chat with our artists and watch as they work. More than 60 local artists display their varied works in our historic, two-story building in the heart of NSB's Art District. Look, learn, shop and have fun.

ART IN THE FORM OF FILM LOVING VINCENT

APRIL 15 FRIDAY 5:45-9pm

Back by popular demand, this 2017 film was originally featured at The Hub in July, 2017. If you've seen the film before, you're not surprised that we're presenting an encore, and if you haven't, do not miss this visually dazzling film.

Employing extraordinary digital animation techniques, the film replicates Van Gogh's unique painting style. Its narrative seeks to understand why a man of such brilliance would commit suicide. Instructor Paul Marino introduces the film, raises questions to ponder and hosts a post-viewing discussion. Sponsor: Chases on the Beach – Where It's Always Sunny. \$7 includes glass of wine or bottle water
