## ART IN THE FORM OF FILM GOOD WILL HUNTING / NOV 12

SATURDAY 5:45-9pm

This beautifully written 1997 film was crafted by then newcomers Matt Damon and Ben Affleck who won the Academy Award for Best Original Screenplay. These childhood friends also starred in the film, along with Robin Williams who took home the Oscar for Best Supporting Actor. The story follows a group of Boston South End working-class friends who expect little more from life than what their blue-collar jobs can offer. However, Will Hunting (Damon) has an extraordinary gift for math which he slyly reveals at his MIT janitorial job. With the help of therapist Williams, Hunting confronts his ambivalence about leaving his buddies behind to pursue a new life for himself. Instructor Paul Marino hosts the discussion. Sponsored by Chases on the Beach – Where It's Always Sunny. \$7 includes glass of wine or bottle of water.
