

Lakeland High School

Lakeland HS SADD Club and Youth Task Force Leaders attended a conference for future leaders, focused on bullying and the positive impact of peer support. Students were introduced to other Westchester County peer leaders to build connections and resources. This field trip was held at the CV Rich Mansion in White Plains, with over 30 other schools.

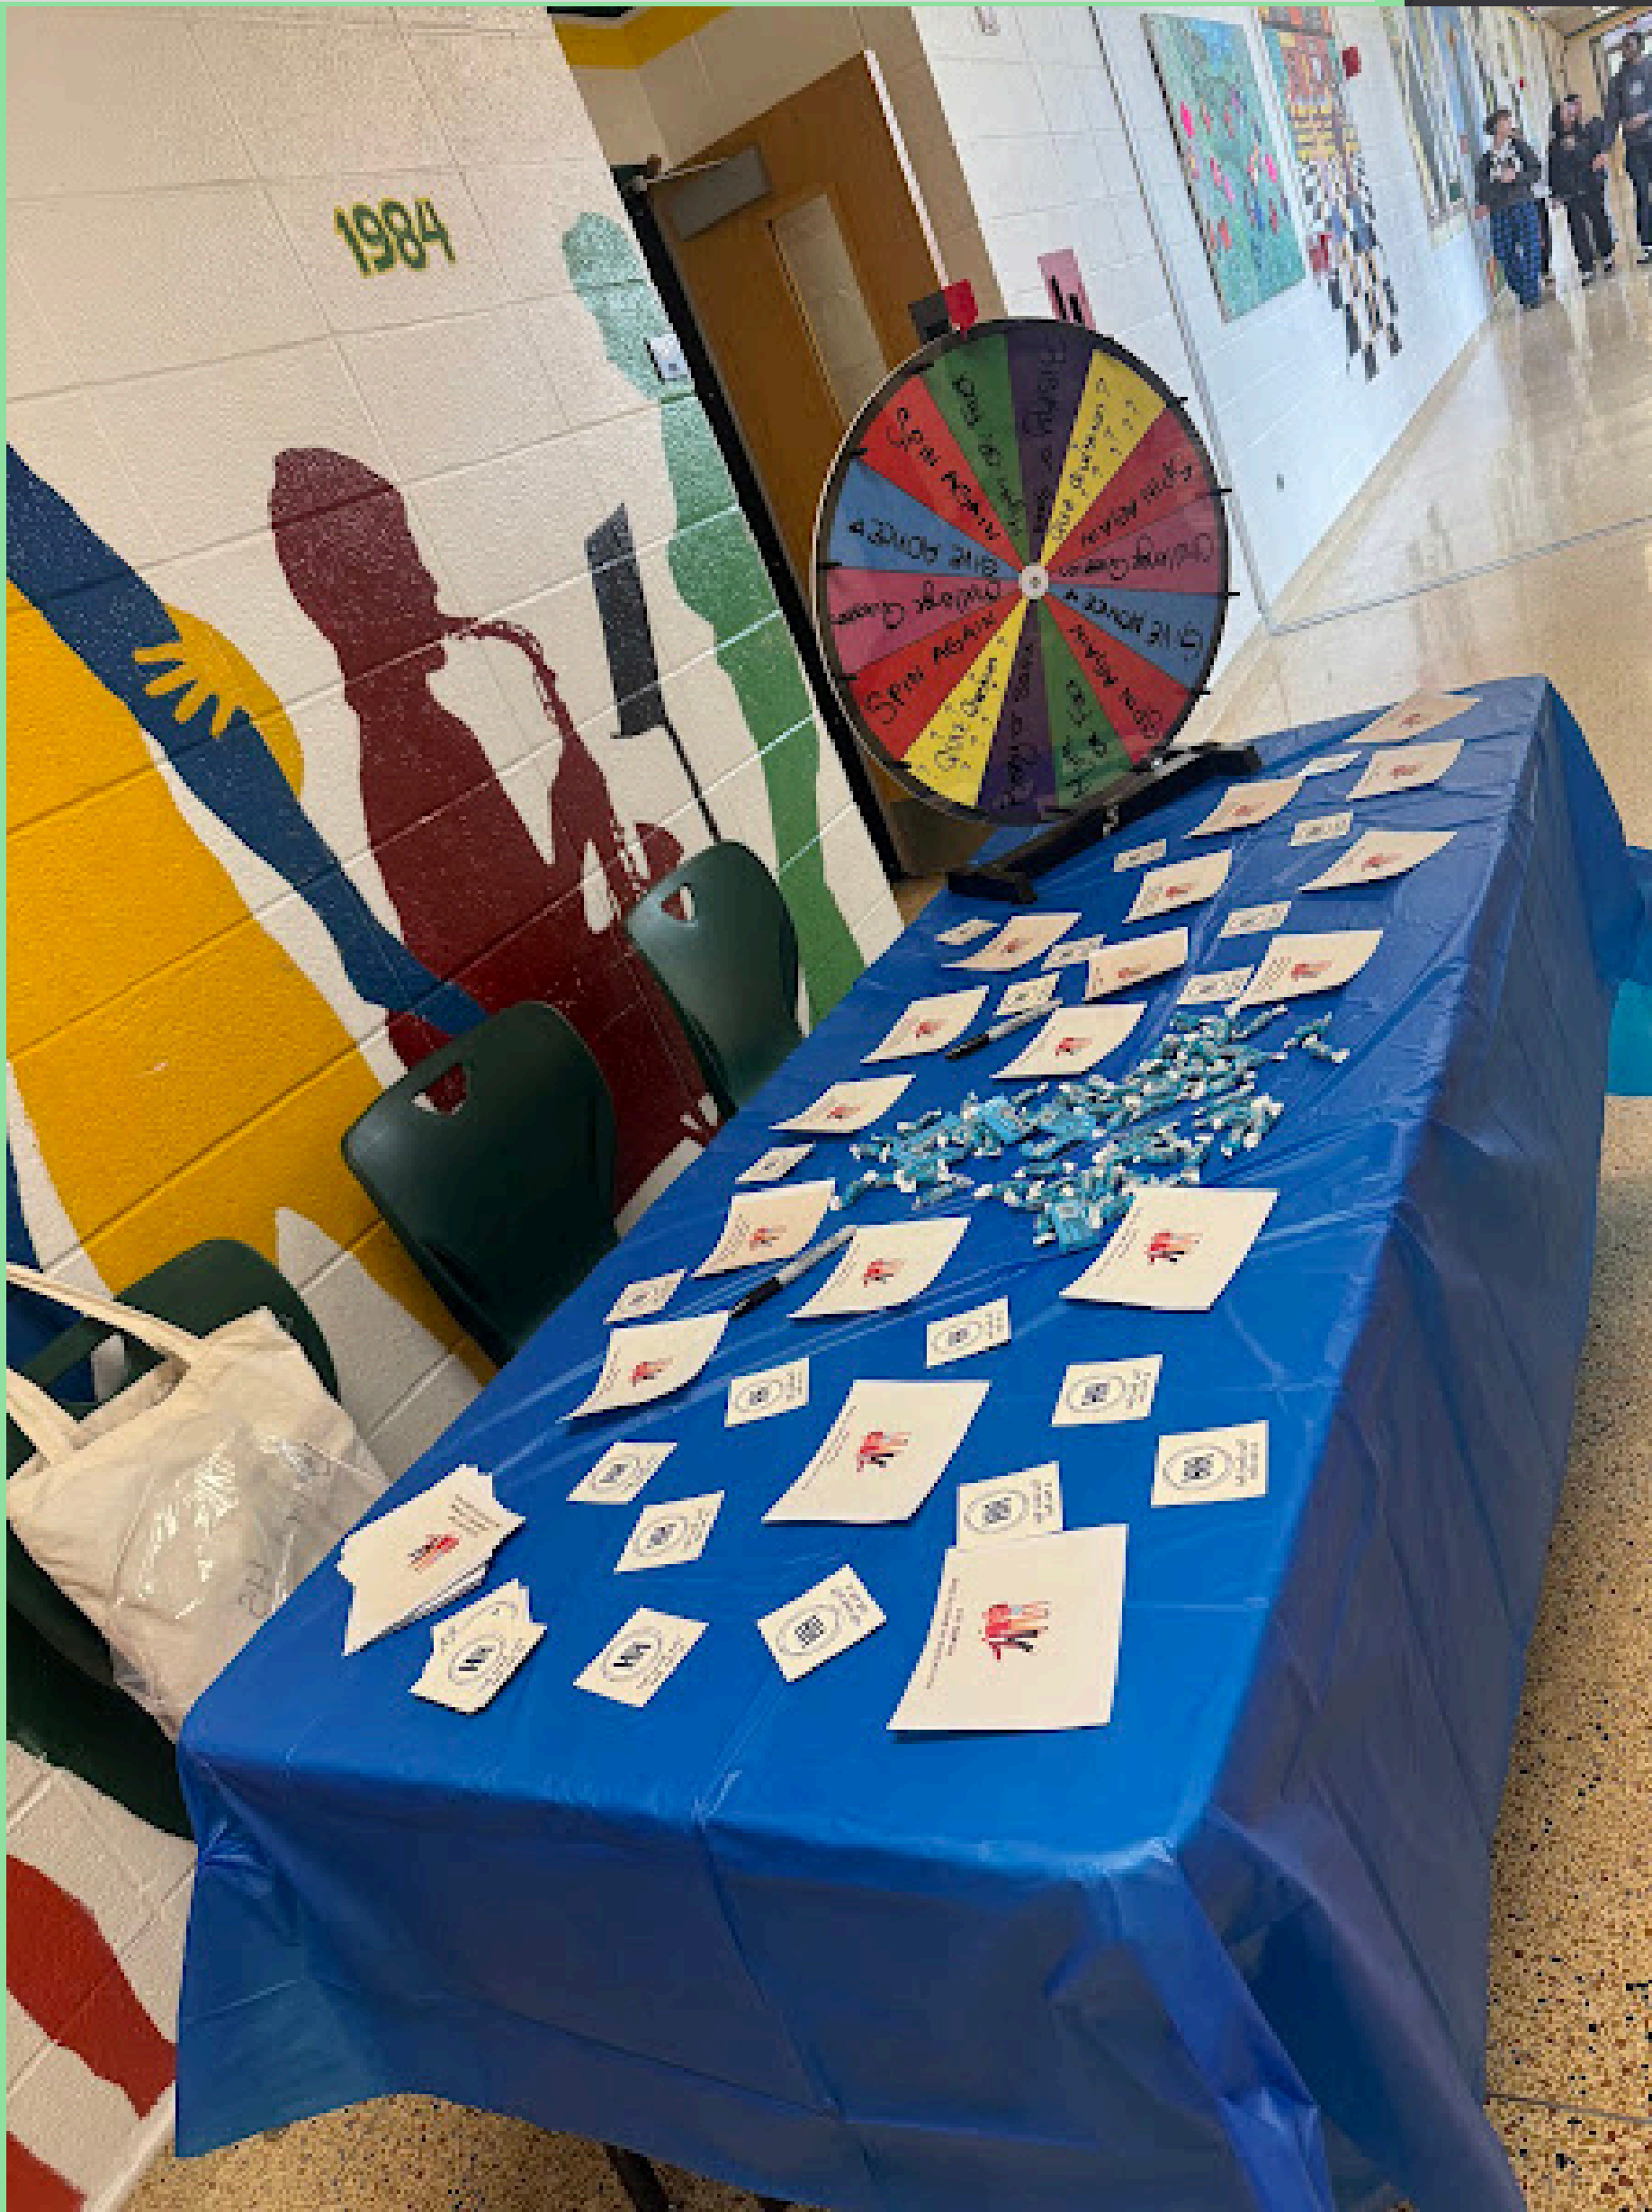

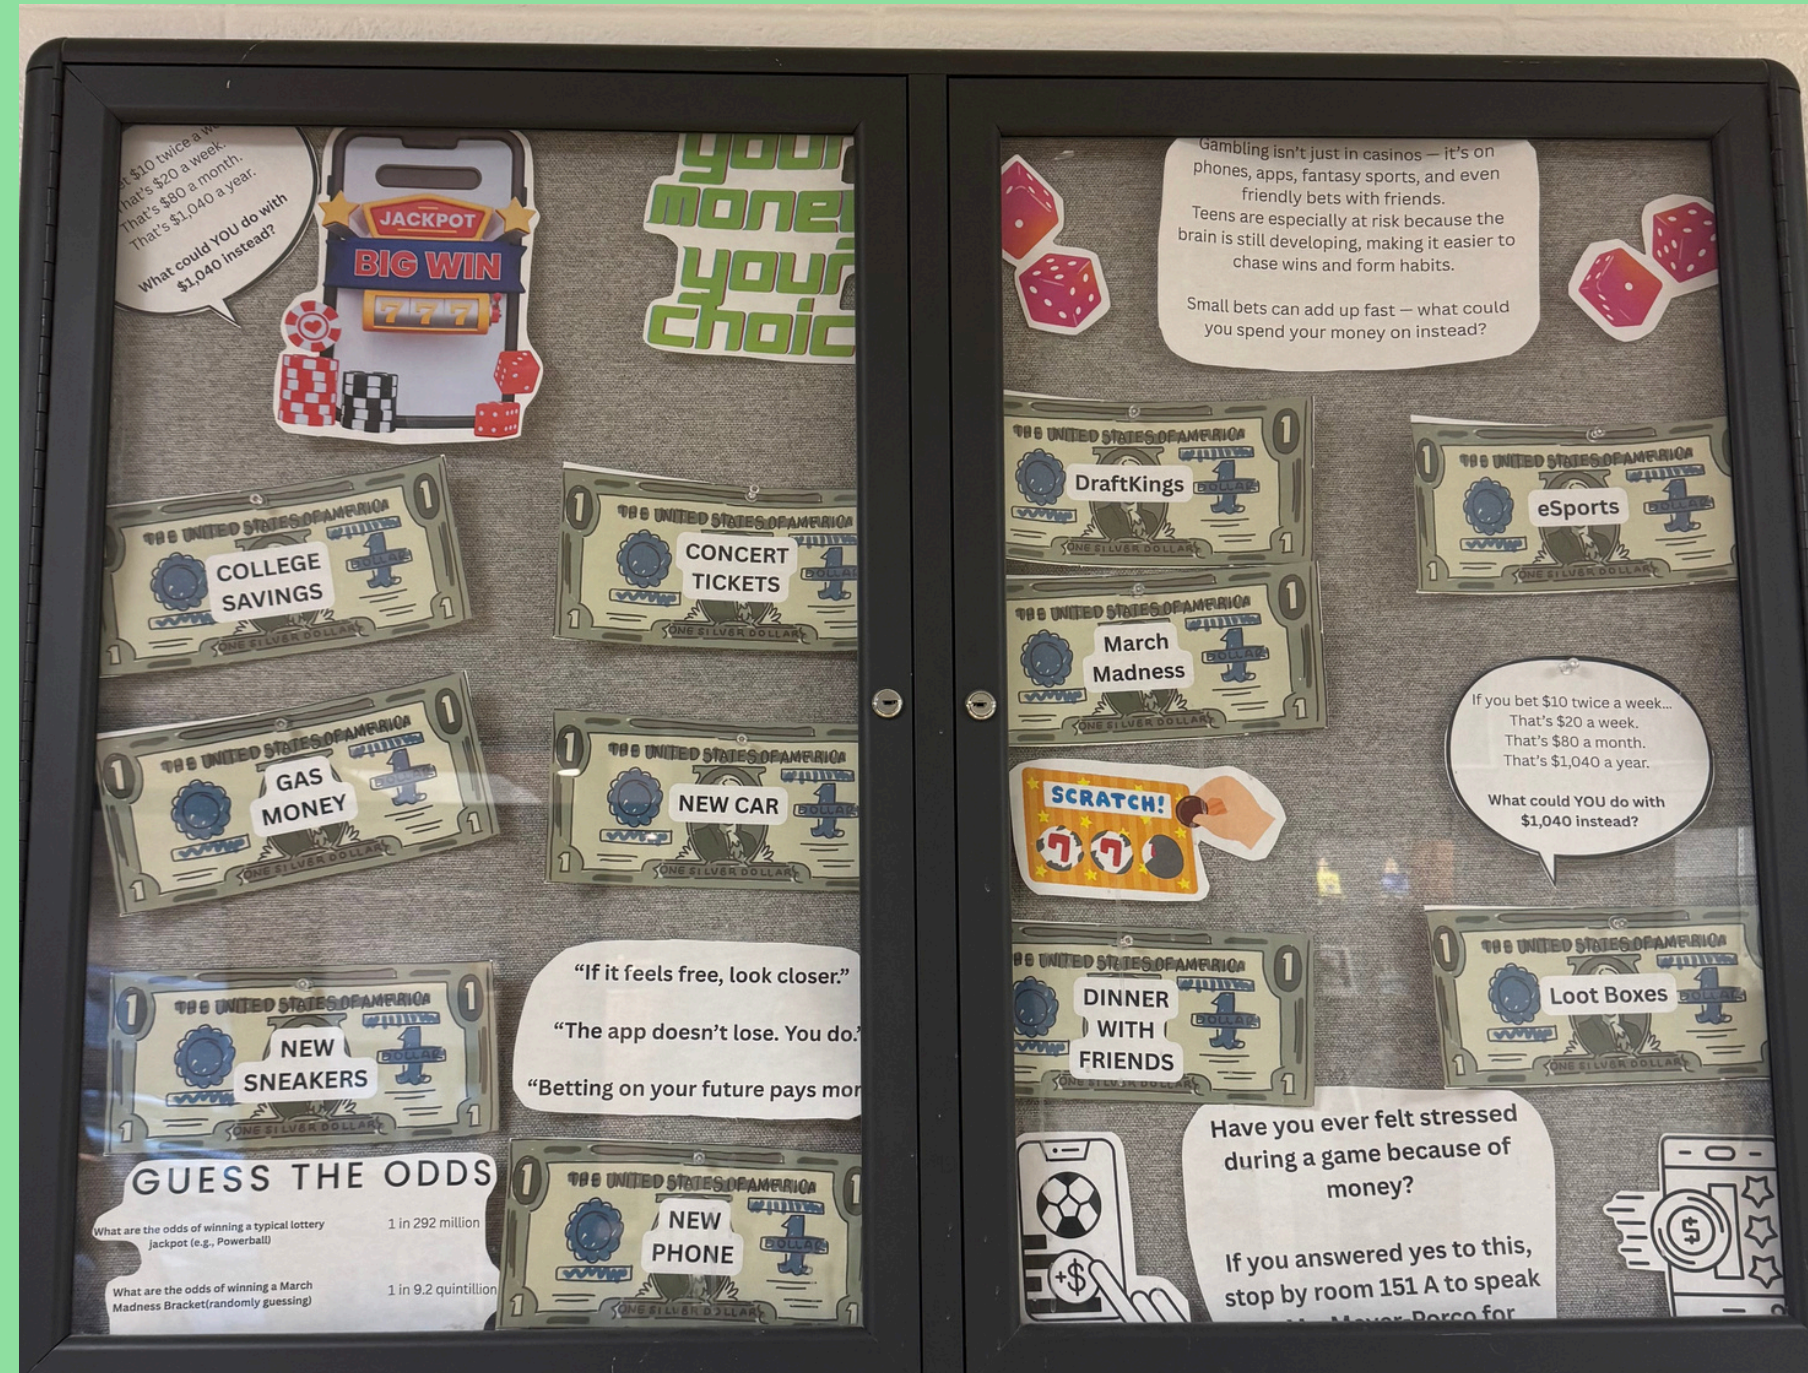

Lakeland High School

March is National Gambling Awareness and National Drug and Alcohol Facts Week. SADD Club members held a school wide event during our lunch periods, where students were asked questions regarding gambling and drug facts to test their knowledge.

Student Assistance Corner

The Student Assistance Program promotes the well-being of students by helping them make healthy decisions and remain substance-free.
