

## Room Three

### Head Teacher – Debbie

We are all so happy to be back and to be together again! All these little people have just loved being able to socialize and have fun together. So what have we been up to?

We are studying artists, looking at their unique styles and techniques. Every fortnight we will look at a new artist.

Our little artists have completed some incredible pieces. They have entered into the mood and spirit of the technique, flicking, dripping and squirting paint.

Room 3 have also been learning a lot about Music and Movement. We are having heaps of fun, listening to beat and playing instruments in time. We have been learning about rhythm, beat, dance and body percussion.

The Transition to School programme continues. We are up to the letter Kk and have an extension table where children match upper and lower case letters. At the Maori table they had the opportunity to make a “Keke” .

Where to next?

Dramatic play is a big part of our children’s day, so we are currently planning ways to create more opportunities for children to explore this interest.

Debbie
