

Room Two

Head Teacher – Kylee

Wow! Room Two have very much enjoyed this month of Easter.

We have explored Easter art, and enjoyed a fun-filled day of dress up. The children had so much fun running around the playground hunting for hidden eggs. The room was filled with the sounds of enjoyment and munching as the children enjoyed eating their discoveries!

Role play is still very popular in Room Two and we are seeing lots of interest in messy play. This is definitely a toddler thing. They love messy play. Exploring all five senses and communicating with their peers. The children are requesting this more and more each day. So, we will continue to explore this and see where it goes, so watch this space!

With the wet months coming, please make sure your children have lots of spare clothes and please ensure they are labelled. This helps us to find your child's clothing easily and quickly.

If you have anything you wish to discuss with the teachers please do, we are here to help. It takes a village to raise a child.

Thanks whanau,

Kylee
