3 Sweet Deals

***For New, First Time JCS Members
From Jan. 1 through Feb. 28, 2019 there
are three ways to save!***

#1 New Member Sponsorship Program*

Current members may obtain full year memberships for friends and family members for \$60. That's 20% off the new member rate of \$75. At the end of the 12 month period from when the membership was purchased the new member will be eligible to renew at the FULL member rate.

#2 Ticket Redemption Program*

Starting January 1st, 2019 any non-member (excluding former members) attending an event with a full price non-member ticket may redeem the full value of that ticket within 24 hours of the event towards a \$75 membership. For example if a person attends Jazz At Two with a \$20 non-member ticket they have 24 hours from the end of that performance to redeem their ticket and get a full year's membership for the difference - in this case an additional \$55!

#3 Pay Your Age Program*

Starting January 1st, 2019 any non-member (excluding former members) may become a member by simply paying their current age as indicated on a government ID. For example if today a person's ID indicates they were born on February 20, 1969 that would make them 49 years old. They would be eligible to pay \$49 for a full year's membership. No one would ever pay more than \$75.

***An individual may join only once using any of the above programs and may not combine this with any other incentive program; nor may they take advantage of any other incentive offer in the future.**
