

# Marijuana Legalization: Lessons Learned from Colorado

After Colorado legalized marijuana for both medical and recreational purposes, it continues to have numerous adverse consequences to areas of Public Health and Public Safety.

This presentation is a fast paced look at the evolving impacts the legalization of marijuana is having, not only in Colorado, but in other states.

Our speaker, Dale Quigley, is Deputy Coordinator of HIDTA's National Marijuana Initiative (thenmi.org), responsible for providing information and education on issues surrounding marijuana. A peace officer in Colorado

since 1979, Mr. Quigley has an extensive background in narcotics investigations, supervising drug units and has served at the Rocky Mountain HIDTA in Denver from 2011 to 2016.
