WHY become an ETL?

A great way to see other programs.

Professional Development Opportunity.

Take part in program improvement.

Give back to your Industry.

Network with other instructors.

"Becoming an ETL opened many doors for me to improve my program and meet other instructors. Each time I complete an evaluation, I came back with ideas on how to make my program better. My administration supports my efforts because it is great professional development, and I am helping other programs improve!"
