Forlini Receives Sole Endorsement for SOS from Michigan Fraternal Order of Police

Law Enforcement Services Will Be a Priority in the Secretary of State Office

Macomb County, MI - Anthony Forlini, Republican candidate for Michigan Secretary of State, announced today that he has received the sole endorsement of the Michigan Fraternal Order of Police in the race for Michigan Secretary of State.

The endorsement was announced to Forlini during his visit to the FOP Conference on Saturday, June 27, 2026, in Bay City, Michigan.

"I am humbled and deeply honored to receive the sole endorsement from this incredible group of servant leaders," said Forlini. "Michigan's law enforcement officers put their lives on the line every day to protect our families, neighborhoods, and communities. They deserve a Secretary of State who understands the importance of efficient service, secure records, reliable systems, and respect for the work they do."

Forlini noted that Michigan has more than 17,000 law enforcement officers and said improving services that impact law enforcement professionals will be a priority if elected.

"The Secretary of State's office touches law enforcement in many practical ways, from driver and vehicle records to identity verification, title fraud prevention, notary integrity, and overall public service efficiency," Forlini continued. "As Michigan's next Secretary of State, I will work to make sure law enforcement officers and the citizens they serve have a government office that is responsive, accountable, and focused on doing the job right."

Forlini currently serves as Macomb County Clerk and has previously served in the Michigan Legislature. His campaign for Secretary of State is focused on election integrity, customer service, transparency, and restoring trust in the office.
