RULES

Have Fun! Remember, this is an FUNdraiser! !

Please do not intimidate. There is a fine line between challenging our members vs. hassling them. This is NOT an extortion play, this is all about having fun and involving some humor for a very serious issue: TREPAC

Be respectful of REALTOR'S privacy and property. Do not (unless written permission is granted), disclose where someone lives. Photos are fine so long as no identifiable features are included. Please screen all photos through the appropriate person.

Be familiar with one or two key issues that TREPAC has been successful with to share, if asked.

And, oh yes, HAVE FUN!!

*TAR says that we can flock an affiliate, but we have to specify (on the sign) who we are flocking and it has to be the contact person for that office.

TREPAC FLOCKING CAMPAIGN

There are three primary ways to raise funds through the TREPAC Flocking Campaign:

Flocking

A "victim" is chosen, either by the TREPAC Committee, or is identified as per #3 below. Ideally, the "Victim" should be a Realtor in good standing, fairly well known and involved, and has a history of TREPAC involvement.

Anti-Flocking Insurance

Anti Flocking Insurance can be obtained by investing at least $35.00 (f air-share) to TREPAC. This is in addition to any money already invested prior to the Flocking Campaign during the TREPAC year.

Flock a Friend

A Realtor may invest additional money to Flock a Friend. The details are on the "Flock A Friend" Form. This includes insurance for the Realtor maki ng the investment.

Rules:

- Have Fun! Remember, this is a FUNdraiser!!
- Target ONLY CCAR Realtors/Affiliates. PAC rules and laws are strict; we do not want to solicit non-Realtor members.
- Please do not intimidate. There is a fine line between challenging our members vs. hassling them. This is NOT an extortion ploy, this is all about havi ng fun and involving some humor for *a* very serious issue: TREPAC
- Have fun with this - older kids love to help the parents with the flocking!
- Be respectful of Realtors' privacy and property. Do not (unless wri tten permission is granted), disclose where someone lives. Photos are fine so long as no identifiable features are included. Please screen all photos through the appropriate person.
- Be familiar with one or two key issues that TREPAC has been successful with to share, if asked.
- And, oh yes, HAVE FUN!

Anti-Flocking Insurance

The purchase of this Anti-Flocking Insurance guarantees that no flock of flamingos will roost on my lawn as they migrate around the area during the course of this TREPAC Fundraising event for 2017

The cost of this Insurance requires a Premium of

$35 (REALTOR, Affiliate or Broker's Office)

Thank You for Your Investment and Support!

Congratulations You've Been Flocked! (Individual)

Don't Despair...

This is a fundraiser for the **Texas Real Estate Political Action Committee.** You've been selected to receive this flocking because of your awesome leadership and fundraising abilities. This flocking is done in good spirits and is not meant to be mean. Please don't hurt our pink feathered friends.

These flamingos will roost on your lawn until you raise **$70** for **TREPAC.** You can raise **TREPAC** dollars by asking Texas REALTORS to write personal checks in the amount of **$35.00** (fair share) or more, payable to **TREPAC.** You can also make an Investment in the amount of **$70** or more payable to **TREPAC.** Once the flocking group receives the **TREPAC** investments from the Texas REALTORS that you've encourage to participate, we will return and request the flamingos to migrate to another Texas REALTOR'S lawn. If you would like to specify the next victim for this FUNdraising campaign, please provide us a name and property address (with grass) of another REALTOR, so that the flock can roost again and continue to raise funds for **TREPAC.**

Again, thank you for your sense of humor and your support. Remember, **TREPAC** has kept more money in your pocket and protected your business. **TREPAC** has also protected your private property rights so you can display these wonderful flamingos freely in your yard even though they are likely to annoy the heck out of your neighbors!
