Join us for a workshop that will provide insights into the causes and effects of racism. We explore unconscious bias, prejudice, white privilege, and ways to work together to Become the Beloved Community. This offering is required for those in parish leadership (such as vestry members) and at the diocesan level (including those serving on commissions, committees, agencies, or boards). It also qualifies for eight hours of clergy training/ education for those who complete the full-day course. There is no fee to participate, but it requires the commitment to be engaged for the full day. Limited to 26 participants.

PLEASE NOTE: We have a minimum number of registrants that we must meet in order to hold the workshop. If we do not meet the minimum, the workshop will be canceled. We will contact you approximately one week before the workshop to confirm your attendance. If we do not receive a confirmation response from you, we will assume that you have decided not to attend. If the workshop is canceled, we will notify you by phone and/or email, so please check your emails.
