Join us for a workshop that will provide insights into the causes and effects of racism. We explore unconscious bias, prejudice, white privilege, and ways to work together to Become the Beloved Community. This offering is required for those in parish leadership (such as vestries) and in diocesan positions (including serving on commissions, committees, agencies, or boards). It qualifies for eight hours of clergy training/education for those who complete the full-day course. There is no fee to participate, but it requires the commitment to be engaged for the full day. Attendance is limited to not more than 30 participants, but we must have at least 12 registrants to hold the workshop.
