Celebrate the ministry of Beckwith in your home parish

50+ years of "best week ever"

The campers are the heart strings of the Beckwith community! At Camp Beckwith, diocesan priests and young adult leaders collaborate in creating and sharing prayer, worship and play that provides a safe, spiritual context in which youth ask challenging questions about faith and God, seeking truth and love in relationship to God, about themselves, their communities and world. Kids find sanctuary, and spaces for cultivating self-hood, self-confidences in the soils that are rich with opportunities for building healthy, life giving, affirming relationships. Imagining a circle of compassion, with no one standing outside of that, the Beckwith community is focused on loving the Christ within each camper.

60+ years of holy hospitality

Hospitality for us at Beckwith means the creation of a space where the stranger can enter and become a friend. Hospitality is not meant to change people but to offer them space where change can take place. It is our goal to create space for comfort, growth and vulnerability. In a world of strangers we hope to offer a sacred space where life can be lived without fear and where community is strengthened. Living into our core values: providing holy hospitality, creating space for growth, and living together whole heartedly we anticipate the opportunity to serve you.

We invite you to God's front yard – come let us share with you the love of hospitality.
