Description

Join us for an interactive workshop which will provide insights into the causes and effects of racism. We explore unconscious bias, prejudice, white privilege, and ways to work together to Become the Beloved Community. This offering is required for those in parish leadership (such as vestries) and at the diocesan level (including serving on commissions, committees, agencies, boards, etc.). It also qualifies for 8 hours of clergy training/education for those who complete the day course. There is no fee to participate but it requires the commitment to be engaged the full day.
