Please consider the following when registering for Wyckoff Cheer:

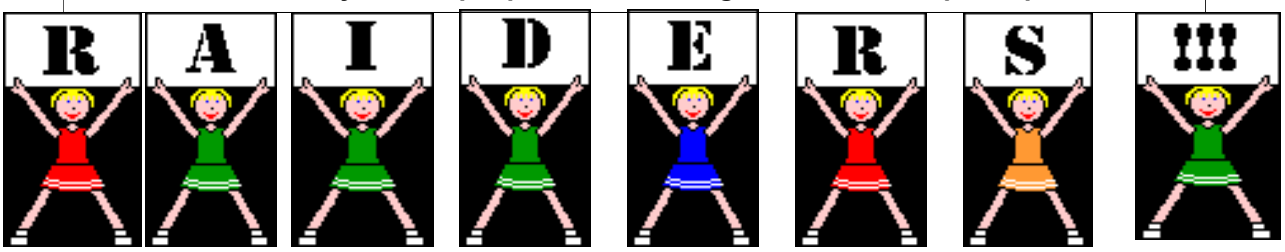

Practices begin mid August, likely 2 x's per week based on availability of trainers. The program is designed to accommodate all who wish to cheer for our football teams. All cheerleaders will be able to cheer from the sidelines during the games. Cheerleaders who are consistently at practice, are on time and don't leave early, and learn their routines will also be allowed to participate in the halftime shows. Cheer is an intense physical activity. Like many sports, it takes strength, endurance, teamwork & dedication. All weekly practices and games are extremely important to the success and safety of all.

Games will begin the weekend of 9/13 and ends the weekend of 11/15. Games may be played on Tues., Saturday and/or Sundays and game schedules will be shared once finalized.

You will be notified by email when our 2025 apparel sale for items listed above will be available.
