

There's reliability.
Then there's **Fujitsu** reliability.

With a 99.99% product performance rate*,
Fujitsu Elite Contractors **trust more** and **earn more**.

ULTIMATE RELIABILITY

- Fujitsu has the best quality control process in the market, inspecting 100% of its return product, bringing our failure rate to a record low of .01%.
- With over 45 years of air conditioning manufacturing experience Fujitsu is a company you can count on for years to come
- Troubleshoot less systems and install more. Each registered system earns points toward reaching Elite Contractor status
- Elite Contractors receive consumer leads, loyalty rewards and priority ranking on the online Contractor Locator
