## Does your bookshelf include these two important books by Ty Gibson?

### The Heavenly Trio

"Ty Gibson has written a superb study of the doctrine of God as it was perceived by Ellen White and the early Adventists, sensitive to their real concern for God as a distinct relational being. Gibson appropriately portrays how diligent Bible study moved Adventists past various philosophical pitfalls and took them to a truly biblical perspective of The Heavenly Trio. This sequel to The Sonship of Christ is a brilliant call for Adventists to follow in the footsteps of those early Adventists to comprehend and experience divine, relational, covenantal dynamics."

*Denis Kaiser, Assistant Professor of Church History, Theological Seminary, Andrews University*

## The Sonship of Christ

Why is Christ called "the Son of God"? Discover an answer so simple you'll wonder why you never saw it before—and so beautiful it'll take your breath away. No matter who you are or what position you have taken on the Sonship of Christ, you have no doubt felt the tension and complexity involved in trying to make sense out of the two apparently contradictory claims in Scripture.

On the one hand, the Bible calls Jesus God's "only begotten Son" (John 3:16) and describes Him as occupying a subordinate position under the Father (John 14:28; 1 Corinthians 15:27-28). On the other hand, Scripture also states that Jesus is "in very nature God," insisting that He shares "equality with God" (Philippians 2:5-6) and that He is the One who "made" all things that are "made," placing Him, by contrast, in the unmade category (John 1:1-3). He is even called "the everlasting Father" (Isaiah 9:6, KJV), the eternal "I AM" (Exodus 3:14; John 8:58), and "the Almighty" (Revelation 1:8).

The tension between the two identities is immediately apparent. The solution needs to be consistent with both of these claims...and worthy of our wonder.
