

## Home Base Iowa: Your Link to Veteran Job Seekers

Becoming a Home Base Iowa business is an efficient way to connect with skilled veterans and transitioning service members who are actively looking for work in Iowa.

Home Base Iowa businesses are the centerpiece of the program. Nearly 1,900 businesses have signed up to become part of the program and help fill the skilled labor gap in Iowa. Veterans make a strong addition to your advanced manufacturing workforce.

Home Base Iowa businesses can access veteran profiles and resumes using the “Find a Veteran” feature on the website, [homebaseiowa.gov](http://homebaseiowa.gov). The “Find a Veteran” feature makes it easy for businesses to connect with veterans by providing:

- Automatic email notification when a veteran posts a resume matching your business profile
- Access to easily update business information displayed on the Home Base Iowa website
- Resumes screened by Iowa Workforce Development veteran representatives
