WAZE to Adulthood

For Parents & Professionals

May 20th & June 3rd

6:00 - 7:30pm

When it comes to planning for life after high school, it is important to think about working, learning, and living in our communities. These topics all play a part in the various paths a person may choose to take in pursuing their independent living goals. This training will provide basic information related to independent living and the services that are available.
