Tea Selection from Harney and Sons

Master Tea Blenders

Millerton, NY

34 years ago in Salisbury, C.T., proprietor of The Historic White Hart Inn, John Harney developed a passion for fine teas. Starting production out of his basement in 1963, John began his journey in mastering the art of tea blending. Never did John Harney imagine that his small home-run business in Salisbury, C.T. would turn into a global operation, now headquartered in Millerton, N.Y. filling 90,000 square feet of warehouse space and a new bottling plant in Hudson, N.Y., and employing over 200 people. It is not only the Harney mission to deliver quality tea products to their customers, but also to educate the world of tea history and taste.
