

You have the right to vote

The local and regional elections in Denmark are held on 18 November 2025

If you live in Denmark and are 18 years or older, you can vote in local elections. EU, Norwegian, Icelandic and UK citizens can vote from day one. Others can vote after 4 years of residence.

Check your eligibility and find more information on the official website of the Ministry of the Interior and Health by scanning the QR code.
