Colorado	Bulletin B-4.104 Department of Regulatory Agencies, Division of Insurance	Governor Jared Polis (D) has instructed the Colorado Division of Insurance (DOI), part of the Department of Regulatory Agencies (DORA), to issue guidance and direction to Colorado health insurers regarding coverage of COVID-19 claims. The DOI is requiring insurance companies to take actions related to COVID-19 in the areas of telehealth, prescription refills and cost-shares (co-pays, deductibles and co-insurance). DOI is directing insurance companies to do outreach and education to remind their members about these telehealth options. The companies are also directed to provide COVID-19-related telehealth services with no cost-sharing, including co-pays, deductibles, and coinsurance that would normally apply to the telehealth visit. The Division will be issuing an emergency regulation to formalize this specific directive. The DOI is directing insurance companies to cover an additional one-time early refill of any necessary prescriptions to ensure people have their necessary medications should they want to limit their close contact with others. Insurance companies will be directed to waive any cost-sharing for an in-network health care provider office visit, an in-network urgent care center visit or an emergency room	Emergency regulation TBA

		visit when a covered person is seeking testing for COVID-19. If an in-network health care provider cannot do such testing, the insurance company must cover an out-of-network provider for the testing. As with the telehealth directives, the DOI will be issuing an emergency regulation to formalize this specific directive.	
Colorado	Department of Labor and Employment Emergency Rule	<p>The Department adopted emergency rules requiring up to four (4) days of paid sick leave for employees being tested for COVID-19 in select industries which include: leisure and hospitality; food services; child care; education, including transportation, food service, and related work at educational establishments; home health, if working with elderly, disabled, ill, or otherwise high-risk individuals and; nursing homes and community living facilities.</p> <p>The requirement is not on top of sick leave an employer already provides and does not cover wage replacement should an employee test positive and require quarantine resulting in lost work time and wages.</p> <p>Workers are covered regardless of pay rate or method (hourly, weekly, piece rate, etc.); the daily pay during leave is either their established daily rate or, if their pay fluctuates, their average daily pay for the past month.</p>	Effective
District of Columbia	Mass Gatherings – Department of Health Guidance	The Department recommends that non-essential mass gatherings, including conferences and conventions, be postponed or cancelled. Mass gatherings are defined as events where 1,000 or more people congregate in a specific location. It also recommended that any social, cultural, or entertainment events where large crowds are anticipated be reconsidered by the organizer. This recommendation is in effect through March 31.	Effective
District of Columbia	Retail Closure – Department of Health Emergency Rules	The Department has released emergency rules to prohibit mass gatherings. The rules state that restaurants and taverns shall: 1) Ensure that no more two hundred and fifty (250) people are present in the space at the same time; 2) Suspend the use of bar seating; 3) Suspend service to standing patrons; 4) Limit individual table seating to six persons or less; 5) Ensure that tables (including booths) that are occupied by patrons are separated by at least six feet of distance.	Effective
Minnesota	Mass Gatherings – Department of Health Guidance	The Commissioner issued a number of community mitigation strategies including the cancellation or postponement of events in excess of 250 people gathered together. The guidance also calls for social distancing of 6 feet per person at smaller gatherings and to limit gatherings with participants at high risk for severe disease.	Effective
Missouri	Department of Health and Senior Services Emergency Rule	The Department adopted emergency amendments and proposed identical permanent amendments which would update the requirements for reporting infectious, contagious, communicable, or dangerous diseases to include the 2019-nCoV (coronavirus).	Effective
Nevada	Division of Insurance Emergency Rule	The Commissioner of Insurance orders health insurers to not impose an out-of-pocket cost for a provider office, urgent care center, or emergency room visit when the purpose of the visit is to be tested for COVID-19; not impose an out-of-pocket cost for COVID-19 testing; to cover costs of COVID-19 immunization as one becomes available. As soon as practicable, a health insurer shall issue guidance to inform its insureds and network providers about available benefits, options for medical advice and treatment through telehealth, and preventive measures related to COVID-19.	Effective

		For the purpose of ensuring adequate access to prescription drugs due to shortages caused by supply-chain disruptions, health insurers shall provide coverage for off-formulary prescription drugs if there is not a formulary drug available to treat the insured.	
New Hampshire	Department of Insurance Order	The Commissioner of Insurance has issued an Order requiring New Hampshire health insurers to cover services associated with testing for the novel coronavirus 2019 (COVID-19) without cost-sharing, and to take a series of related measures designed to promote early detection and access to prevention, treatment, and recovery services. Effective
Ohio	Mass Gatherings Department of Health Order	The Director of the Ohio Department of Health has prohibited mass gatherings of 100 or more persons in a single room or single space at the same time. This order does not pertain to normal operations at airports, bus and train stations, medical facilities, libraries, shopping malls and centers, or other spaces where 100 or more persons may be in transit. It does not include office environments, schools, restaurants, factories, or retail grocery stores. This order does not apply to religious gatherings or gatherings for the purpose of the expression of the First Amendment. This order does not apply to weddings or funerals.	Active
Ohio	Liquor Buyback Department of Commerce	The Ohio Department of Commerce will immediately begin offering a one-time liquor buyback option to support bars and restaurants. Bars and restaurants wishing to take advantage of this opportunity should return their unopened, high-proof liquor products (obtained within the past 30 days) to the agency where they purchased the product. This opportunity is also extended to those with temporary (F2) permits for events scheduled between 3/12 and 4/6.	N/A
Oregon	Health Authority Emergency Rules	The Health Authority Public Health Division has issued emergency rules that require laboratories to report both positive and negative tests for COVID-19. The rules will prohibit an individual with COVID-19 from attending or working at a children's facility, school, food service facility or health care facility. The rules also require a school administrator to restrict an individual from attendance or	Effective

		work at a children’s facility or school, if the individual had a substantial exposure to someone with COVID-19. The rule will allow removal of restrictions by a statement of the local public health administrator or local health officer that the disease is no longer communicable to others or that adequate precautions have been taken to minimize the risk of transmission. Health care facilities will be required to adopt policies regarding restricting employees with COVID-19 or employees with a substantial exposure to COVID-19.	
Rhode Island	Department of Labor and Training Emergency Rule	The Department has adopted an emergency rule that states that in the event that an individual’s unemployment is due to State of Emergency, the waiting period for unemployment benefits or workshare benefits be waived. Every claimant who has been medically diagnosed with COVID-19 or quarantined as a result of potential exposure to COVID-19 within the calendar week in which the first day of unemployment due to sickness occurs or within the calendar week prior or subsequent thereto and who files a claim for benefit credits under R.I. Gen. Laws § 28-41-15(a) shall be entitled to such for each week of unemployment due to sickness if person meets specified requirements.	Effective
Washington	Employment Security Department Emergency Rule	<p>The Department issued emergency rules to enhance the flexibility of the unemployment insurance program. Workers will be able to receive unemployment benefits and employers will get relief of benefit charges if an employer needs to curtail or shut down operations temporarily because a worker becomes sick and other workers need to be isolated or quarantined as a result of COVID-19.</p> <p>A worker that follows guidance issued by a medical or public health official to isolate or quarantine themselves as a result of exposure to COVID-19 and is not receiving paid sick leave from their employer, may be eligible to receive unemployment benefits.</p> <p>If a worker falls seriously ill and is forced to quit, they may qualify for Paid Family Medical Leave while ill under the existing program. Once recovered and available for work, they may apply for unemployment benefits.</p> <p>It removes the full-time requirement and expands standby ability to part time/less than full-time workers who are isolated.</p>	Effective
Washington	Office of the Insurance Commissioner Emergency Order No. 20-01	<p>The Insurance Commissioner of the state of Washington orders all health carriers, authorized or admitted to offer health plans, or short-term limited duration medical plans, to cover, prior to application of any deductible and with no cost-sharing, the health care provider visit and FDA-authorized coronavirus disease 2019 (COVID-19) testing for enrollees who meet the CDC criteria for testing, as determined by the enrollee’s health care provider.</p> <p>Carriers must allow enrollees to obtain a one-time refill of their covered prescription medications prior to the expiration of the waiting period between refills so that enrollees can maintain an adequate supply of necessary medication. Carriers may take into consideration patient safety risks associated with early refills for certain drug classes, such as opioids, benzodiazepines and stimulants.</p> <p>Carriers must suspend any prior authorization requirements that apply to covered diagnostic testing and treatment of COVID-19.</p> <p>Carriers must ensure compliance with WAC 284-170-200(5), which requires that if a carrier has an insufficient number or type of providers in their network to provide testing and</p>	Effective
