or courtney.long@wicleancities.org

Join us as we celebrate 22 Years of *“Driving Wisconsin Forward”*! Wisconsin Clean Cities (WCC), a state wide, US Department of Energy Clean Cities Coalition invites you to our 2016 Annual Stakeholder Meeting, an event that will recognize achievements of businesses and fleets from across our state. Held this year at the amazing Lambeau Field on Tuesday, December 6, 2016 at 11:00 AM. This will be an excellent opportunity for you to learn about the progress being made in our state as we work together to further the Clean Cities mission and further our economic and energy security.

Kim Marotta, the Director of Sustainability for MillerCoors will kick off our annual meeting. **Maria Redmond**, the Director of the Wisconsin Office of Energy Innovation will provide state updates and information on the Volkswagen Settlement. You will also have the chance to visit with Wisconsin Clean Cities members, Wisconsin Smart Fleet (WSF) partners, Natural Gas and Propane Autogas Advisory Committee members, the Wisconsin Office of Energy Innovation and many more.

During this event, we will review the accomplishments of WCC in 2016 and future plans. Approval of the 2017 annual operating plan and budget will take place, and awards will be presented. Celebrate with us at this holiday event and enjoy a tour of the iconic Lambeau Field!

THANK YOU TO OUR EVENT SPONSORS:
