A 4-STEP GUIDE TO VOLUNTARY COMPLIANCE AUDITS

PICK YOUR PROTOCOL

Choose a protocol you would like to have reviewed and decide whether you need a full or partial audit. A partial audit is typically focused on specific areas such as participants' files.

MAKE AN APPOINTMENT

Our team will work with you to set a date and time for a review that best fits your schedule.

COMPLIANCE REVIEW

Our team will provide you with a draft of the audit for the PI and Study Coordinator to review and respond to any findings that need to be addressed.

POST-REVIEW

After reviewing and finalizing the audit draft, an Exit Meeting will be held to discuss any actions that need to be addressed by the study team.*

*Noncompliant practices or significant findings may require additional review and/or education.
