

California Women Lead presents

# 2018 *Women's* CONFERENCE

STATEWIDE BIPARTISAN LEADERSHIP CONFERENCE

## California Women Lead. NOW is our Time!

For anyone interested in advancing their personal, professional, and political future.

Four tracks provide relevant training for all experience levels from emerging to established business and civic leaders.

Inspiring keynotes from women leading California in government and business.

Power network while exploring topics like negotiating, imposter syndrome, navigating the workplace, getting appointed to a board or commission, and running for office.
