Master Builders' Association Safety Awards

About Master Builders' Association Safety Awards

The MBA Safety Awards recognizes member company's excellent safety records and performance that have zero incident rates as well as incident rates below the national average.

Eligibility

There is not a consecutive year requirement to receive an MBA Safety Award. Any MBA member who completes and returns the 2020 Safety Data Entry Form by January 29, 2021 is entered into the 2020 MBA Safety Awards.

How to Enter

Complete the 2020 Safety Data Entry Form

Email to: info@mbawpa.org

Fax to: 412-922-3729

Mail to: 631 Iron City Drive, Pittsburgh, PA 15205

Master Builders' Association Safety Award is given to each company whose incident rate is below the national average for their work hour division.

Award Distribution

MBA will distribute certificates February 2021.
