

UPDATE: 4/14/2020

At this time, Mobile Medical Corporation will continue service from our Pittsburgh office.
To make sure you can continue to visit us with confidence, we're sharing our current protocols.

Lytle Office hours 9:00 am to 4:00pm M-F

US Steel Clairton 6:00 am -10:00 M,W

Collections Facilities:

- Testing is open at our Lytle office if you prefer to avoid medical facilities
 - Must wear facial mask or protection
 - Appointments are preferred but walk-ins are welcome
- Not all our regular collection sites are accepting drug tests currently. Please call for availability

Services: We will be limiting services in order to comply with state and health regulations

Available

- Drug Screen Collections: Urine, Oral, Instants
- FIT tests
- Post-Accident
- Reasonable Suspicion
- *Group collections are available if safe conditions and circumstances permit.*

Not available

- Breath alcohol (exceptions to post accident)
- Pulmonary Function Testing

Collection procedure

If any person testing appears to be physically ill. We will take a noninvasive thermal temperature. If temperature is over 100.4 we will ask you to please contact the local health facility.

In order to protect other individuals, the CDC is asking patients experiences these symptoms of: difficulty breathing, high fever, chest pains, coughing to contact a health facility. We encourage all employees who are not feeling well to remain home

Extra precautions will be done when performing Individual drug screen collections this includes:

- Limiting the number of persons that gather in office to **2**
 - We ask that all other remain in vehicle until someone else exits
 - 5 feet between personal. Exceptions may be made only with MMC collectors.
- Mandatory hand washing or sanitizer use by each customer before each collection process starts
- Our technicians will be using hand sanitizer or washing their hands in between contact with everyone.
- Our technicians will be wearing a protective mask during all client interactions
- Non-latex gloves will be used once and changed in between each patient contact
- Our offices, medical facilities and equipment are always sanitized daily and in between patient visits.

Statement

As a valued client, we remain incredibly grateful for the trust you place in us when you allow us to provide service to you and your employees. That's why it is so important to us that we share the steps we are taking to protect the health and well-being of Mobile Medical Corporation customers and team members amid the risk posed by COVID-19.

Thank you for your continued trust in Mobile Medical Corporation

Stay safe!
