

Master Builders' Association
Of Western Pennsylvania, Inc.

MBA Safety Champion Award

NOMINATION FORM

Employees with excellent safety leadership skills are a significant reason why so many construction firms are injury free. To bring greater awareness to the vital role our workforce plays in the commercial construction industry, and to honor the best of the best, The Master Builders' Association of Western Pennsylvania is proud to accept nominations for the 2020 SAFETY CHAMPION AWARD.

This award will be presented annually to one individual, employed by an MBA general contractor or specialty contractor firm, who was employed at, or responsible for, commercial or industrial project(s) in the most recently completed calendar year.

MBA members are encouraged to nominate an individual who has demonstrated outstanding leadership in guiding their company's safety and health program to advance the safety of all construction workers. The winner's performance will inspire many others in our industry to understand and believe in Safety First.

Nominations may be submitted by a company employee, peer, or associate.

Nomination Instructions:

Complete each section with a paragraph (no more than 3000 characters)

An awards selection committee will review the nominations and determine the winner.

Nominee: _____

Title/Position: _____
