VELLO: Do you want to help a child improve his or her reading skills? Consider joining our Vello Team. Last year we had the opportunity to work one on one with a classroom at the Imes School in Glendale. We have again been invited to be part of this wonderful virtual tutoring program created by the United Way. Vello is a unique opportunity to tutor online from the comfort of your home. The commitment, once you have completed the online training, is one 30-minute session each week or month, depending on your schedule. If you are interested in “giving back” by joining our Vello Team contact Hannah Kaplan at hankaplan@me.com to learn more about this exciting program.
