

Luncheon Raffle Items Needed

Members and their guests who attend our annual Awareness Luncheon always look forward to the raffle and silent auction, a fun part of the event. This year we hope to increase funding to support our social justice efforts by asking each NCJW member to contribute at least one item for the raffle or silent auction. If you prefer not to solicit items, we would welcome contributions of \$25 or more and purchase items for you.

All raffle items must be NEW. Gift cards, tickets for the theater or sporting events, travel, vacation homes, lessons (bridge, mah jong, cooking, art, computer), jewelry, sporting goods, books, wine, etc. are always popular. You get the idea!

Thanks so much!
