Then we fought and won - or so we thought.
A generation later we must fight again."*

National Council of Jewish Women
invites you to join us
Sunday February 3, 2019 at 11 AM
The McCormick Scottsdale ~ 7401 North Scottsdale Road

As a faith based organization, NCJW believes that access to the full range of reproductive care services, including abortion, is critical to women's well-being, dignity and conscience. Every woman must be allowed to make her own decisions about her reproductive life—that is why reproductive freedom is inextricably bound to religious freedom.
