## GAME NIGHT

What a fabulous night! Everyone participated and to make the evening possible. The buffet was exceptionally delicious with a wonderful variety of dishes. Old friends and new enjoyed a variety of games and socializing. It takes a village to make these events happen and we did it with the usual NCJW flair! Thanks to all who attended and helped make it a delicious success.

## NON-EVENT

*Todah rabah* to those who have sent in your donations for our Non-Event. Your generosity enables all of us, annual and life members alike, to continue to both support and benefit from the programs and objectives of NCJW, locally, nationally, and in Israel.

This year's *Brush Up Your Shakespeare!* invitations were remarkably clever. My thanks to the talented and hard-working committee members who helped conceive, produce and distribute them.
