

COMMUNITY SERVICE

Jo-Ann Mullen diad@ncjwaz.org

We have several opportunities that don't require special skills but do provide a chance for you to get more involved in NCJW and feel good about yourself while helping others. Email me at diad@ncjwaz.org and I'll send you a volunteer interest form to get you started.

There is still time to register for the **AZ Mission of Mercy Dental Clinic**. This is an unforgettable experience—hopeful patients line up outdoors the night before for this free, first come/first served clinic. Many of them are living with constant and severe tooth pain and dental issues. Approximately 2,000 patients are served during this 2-day event. Join some of us on Friday, December 13th at the fairgrounds. A variety of volunteer positions are available. Registration is required. Go to AZMOM.org to register and indicate National Council of Jewish Women wherever a group affiliation is needed. Please let me know if you do sign up. I'll look for you there!
