FEDERAL AND STATE CANDIDATES

PRESIDENTIAL CANDIDATES

The National Right to Life Committee PAC has evaluated candidates’ positions on the following issues:

• Roe v. Wade/Abortion (The 1973 Roe v. Wade and Doe v. Bolton Supreme Court decisions which legalized abortion on demand, resulting in more than 60 million abortions since then.)

• Pain-Capable Unborn Child Protection Act (an act that would prohibit abortions (with narrow exceptions) after the unborn child is capable of experiencing pain from abortion.)

• Taxpayer Funding of Abortion and/or Abortion Providers (Direct taxpayer funding of abortion, as well as taxpayer funding of abortion providers, such as Planned Parenthood, means more abortion and more dead children.)

Democratic candidates

All support abortion on demand and taxpayer funding of abortion.

Republican candidates

Donald Trump - President Trump has proven his pro-life commitment through his many pro-life accomplishments as president. He has appointed pro-life advocates to his cabinet and administration, restored the “Mexico City Policy” and has pledged to veto any legislation that weakens current pro-life federal policies and laws, or that encourages the destruction of innocent human life at any stage. He has called on Congress to pass legislation to prohibit late-term abortion. His HHS Department has issued regulations to ensure Title X funding does not go to facilities that perform or refer to abortions.

Bill Weld - Mr. Weld supports abortion on demand and taxpayer funding of abortion
