

GBA MENTORING PROGRAM – FACT SHEET

GBA's Mentoring Program will match a less experienced attorney with a more experienced attorney to share experiences and encourage the development of skills necessary to succeed in practicing law.

- **What is mentoring?**
 - Mentoring is a form of training, learning, and development based on providing support, guidance, and advice to achieve personal and professional development.

- **Who can be a mentor or mentee in GBA's Mentoring Program?**
 - Any GBA member can sign up to be either a mentor or mentee. Mentors should be more experienced attorneys and mentees should be less experienced attorneys. However, there are no age limits on either role and if you are unsure, GBA will seek to match you with an appropriate mentor or mentee.

- **How can I sign up to be a mentor or mentee in GBA's Mentoring Program?**
 - Fill the registration form and e-mail it to hkies@turningpointlit.com by **November 19, 2021**.

- **What is my time commitment?**
 - We encourage mentors and mentees to find a time to meet with each other at least once every other month from November 2021 to June 2022. You can meet however works for you: zoom, coffee, or lunch. If you would like to meet in person, GBA will provide you with a gift card to help cover the costs of a coffee or lunch meeting.

- **What will we discuss?**
 - As a general guideline, at your initial meeting, mentors and mentees will work together to establish goals and expectations. In the following meetings, mentors and mentees will discuss how to achieve these goals, progress toward reaching these goals, and any or setbacks. GBA will help provide some guidelines.

If you have any additional questions, e-mail or call Hillary Kies at hkies@turningpointlit.com or 336-645-3322.
