Celebrating our 71st year

Vol. 71 #9

August 2022 - Av/Elul 5782

**FROM THE RABBI'S STUDY**  
**RABBI JONAH LAYMAN**

## Past & Future

It is stunning to realize that I am beginning my 29th year as your rabbi. 28 years ago - August 1, 1994 - you welcomed Lenore and me and our two children at the time - Elisheva and Ilan - with open arms into this wonderful community. Since then we have celebrated, laughed, cried, and danced together at so many wonderful shul events. We've been blessed to be part of this "haimish" - friendly, warm and spiritual community.

Twenty-eight years ago Elisheva was 4 years old and Ilan was almost 2. Lenore was pregnant with Aliza (who would be born in November) and Eytan wasn't even a twinkle in our eyes! Like all parents, we were caught up in the day-to-day routine of raising our children. Sure we at times dreamed about what it would be like when our children become adults, but we never really gave it much thought. We just wanted to be sure to provide a home filled with love and Jewish values. We did our best to provide the foundation for the adults our children would become, yet we knew it would be up to them to decide what kind of life they would lead as adults.

It is therefore truly a blessing for Lenore and me to be celebrating two milestones in our children's lives. Without tempting the evil eye (poo, poo poo as they say!) our daughter Elisheva will get married later this month. She and her fiancé - Scott - live in White Plains, NY and we are so happy that they are so happy together. We are truly blessed that they are a beautiful couple and that they look forward to building a Jewish home together.

And in October - again poo, poo, poo - Ilan and his wife Gaby will make us grandparents! They live outside of Providence, RI where they are quite busy pursuing their careers. They are wonderful together and we are blessed as our family continues to grow.

Lenore and I know how lucky we are. Life isn't in our hands to control. Events happen - health crises, world events, etc. - that tremendously impact our lives. We do our best to navigate around these issues and we pray that we can survive long enough to experience happiness and celebration. Thank God, we have these events to enjoy and I

**VICE PRESIDENT OF ADMIN**  
**ADAM GLASER**

As I sit here contemplating what to put out into the ether, the one constant that keeps returning to the forefront: why am I being asked to write this column in Eric's absence? It was because of our earlier friendship with the Marshalls that we followed a similar road to Shaare Tefila. And like the Marshalls themselves, we have found Shaare Tefila to be very warm and welcoming. We are extremely fortunate to be part of such a close-knit community.

My wife, Rachel, has served on the education committee surrounded by thoughtful, intelligent, and caring people united in common educational goals. Our eldest, Alanna, has established close friendships within the synagogue while cultivating her Jewish identity. Bat Mitzvah preparation during a pandemic was a unique experience. But despite the presence of masks, Alanna became a fixture on Saturday mornings, as she adeptly led Shabbat services both in preparation for and on the big occasion.

Alanna's younger brothers, Nate and Jonah, can be found laughing and running with their friends. Friends that were made during our time at Gates of Discovery before Zoom became a household name. With a whiff of nostalgia, we celebrated Jonah's birthday at the Shaare Tefila playground and reconnected with his school friends before in-person learning resumed.

Having this community has truly been a blessing, especially in these challenging times. We are all faced with obstacles, doubts, and decisions but a support network can make them less daunting. Through committee, board, and officer positions, I have been able to play my part in the Shaare Tefila community. This service has provided me with a greater connection and sense of belonging. There have been hiccups and deviations from the path, but the journey together is an important one with tremendous growth opportunities. While the circumstances necessitating Zoom services and meetings were less than ideal, they have been embraced and we are all better for it.

Eric, I commend you on your Presidency. I am keeping this column warm for you in your absence. Our heartfelt condolences on the recent passage of your mother-in-law and may this be an opportunity to reflect and appreciate her with fondness, surrounded by the friends and family who make up your community. I know we at Shaare Tefila find strength in your family and may you find strength and comfort in others during this difficult time.

### Social Action

Lisa Hedgepeth and the Social Action Committee is planning another year full of opportunities for everyone in the Shaare Tefila community to contribute to the greater community, with in-kind project collections, fundraising, or putting our bodies into action doing mitzvah projects. Pay attention to your email for information as each project comes up.

**On 10/16 team ST Youth Rocks! will be participating in a Community Playhouse Build in support of Habitat for Humanity Metro Maryland.** The children's playhouses created at the project site (BenderJCC) will be given to families who live in Habitat homes to brighten their children's lives. [If you would like to support the efforts of our community's children, please donate on our team page here.](#) Each team is asked to raise \$2400 in sponsorship of a playhouse; money raised provides critical funding to help build affordable homes for lower-income families in our local community.

**All these programs count on your support not just for attendance but also your volunteer efforts when asked. Volunteers are welcome to help with:** set up & serving at dinners; running activities as appropriate; to share their knowledge & skills by leading a program for Makers & Bakers or helping with speaker events. **Finally, sponsors for events and other financial support is always welcome.**

B'Shalom,

## A Schmear Is Not Just A Schmear

First, according to Google Dictionary . . . . “Schmear”: verb; "the bagel so perfect with a schmear of low-fat cream cheese"

The Shaare Tefila definition of “Schmear” : noun; a light snack served by the **Shaare Tefila Sisterhood and volunteers** after Shabbat services.

Currently, when we don’t have a sponsor providing a kiddush after Shabbat services, the Sisterhood serves some sweets, coffee, hot tea, lemonade, and water. Everyone seems to look forward to gathering after services to schmooze and catch up with each other; this greatly enhances our sense of community. It also contributes to making Shaare Tefila the “haimish” place we always strive to be.

We would like to be able to provide a little more than a few modest sweets. These Schmears do come at a financial cost. Therefore, we are requesting those who are able, please contribute to our “Schmear Fund”; if you can send \$180 -- or any amount would be appreciated --so we can provide a kiddush about 40 Saturdays throughout the year. This will greatly defray the costs incurred and will benefit everyone.

If you are planning to contribute, please send your donation to Shaare Tefila and include a note “For Schmear” or [donate online](#). We would be grateful for any amount you can provide for this program. Your contribution will be recognized in the *Shofar*.

Happy August to everyone!

I hope you are having a wonderful summer filled with great family getaways and get-togethers.

July 1st began our new membership year for our synagogue community. Membership is a wonderful opportunity for you to show your support and care to your Shaare Tefila family. Our Executive Director, Briana Porter, and administrative assistant, Patricia Budreau, recently sent out your High Holy Day packets. With the summer flying by, it's hard to believe we are just 2 months away from our New Year, Rosh Hashannah!

Please note that in your High Holy Days packages, Membership has included a brief survey (Name, Address, Telephone Number, home/ cell, and email address) which will help our community and help you with upcoming communications regarding our synagogue activities (e.g. services, classes, programs, events, etc.) It will only take a few moments to fill out the form and return it with your packet. An email was also sent out, so if you desire you can fill out the survey and return it by mail or email.

Shaare Tefila and our Membership team hope that you will continue your support and strengthen your commitment to our synagogue in this upcoming year. It is truly a joy to see how membership helps strengthen our Jewish spirituality, culture, and traditions which in turn positively influences our children and all of us.

Looking forward to reconnecting with all of you at our "Back to Shul" program September 19.

Stay safe and cool and have many more wonderful summer days with friends and family.

B'Shalom,

Social Action is back with our Season of Tikun Olam. In August, we will be collecting school supplies for the students at the National Center for Children and Families. See the list on the following page. A collection box will be in front of the synagogue from August 1-21.

In September, we will be collecting the following items for Shepherd's Table in Silver Spring:

- ⇒ Women's underwear and socks
- ⇒ Disposable razors
- ⇒ Water bottles
- ⇒ Canned food
- ⇒ Manual can openers

Details for October and November will be forthcoming and will include in-person activities!

+++++

The Social Action Committee has partnered with the [New Neighbors Interfaith Alliance of Maryland \(NNIA\)](#) to assist Afghan families who have recently resettled in this area.

This effort will also extend to Ukrainian families as the need arises. Thanks to **Mike Froehlich** for taking on the role of liaison for Shaare Tefila's efforts with NNIA. Several of our members have already become active, helping families in need. We are excited to share that we applied for and received a grant from the JCRC to assist our efforts with NNIA. These funds will help us to make a difference in the lives of locally resettled refugees!

+++++

Social Action is excited to continue expanding. We now have a Climate Change subcommittee, headed by Laurie Dubrow! Laurie reached out via the listserv and found a group of like-minded members who are interested in learning together, supporting each other, and bringing programs to our congregation to educate us about the climate emergency. Stay tuned!

## SISTERHOOD PRESIDENT

**JACKIE BENN**

relaybenns@gmail.com

**Hello all Sisterhood members,**

Well, summer is in full swing. I know many of you have had a chance to get away this summer, some for the first time in over 2 years. With that in mind, Sisterhood would like to have many of you back for some of our most popular events this year, some of which we have not had since 2019, others that have become popular during Covid. We have a full calendar for this year. The calendar is included on page 5. So please put the many dates on your calendar. Our first event will take place at the synagogue on Sept 11, 2022.

This past spring, we tried to have our first schmooze and schmear, but mother nature had other plans. So we decided to have it on the first day of Sunday school. Many of the moms will already be at the synagogue dropping off their kids. The event will start at 9:30 am and will last until 10:45 am. When you drop off your children or come for minyan please stay around and find out what some of the women in the synagogue have been up to in the last couple of years. We will provide a light breakfast. This will be a free event and your membership in Sisterhood from last year is not required. We also made sure that if your children are in school you will not miss out on any meetings with teachers or staff.

After our Schmooze and Schmear, you can stay for a Makers and Bakers event by Mara Lansky and Babette Cohn. While at our event we will have membership forms available and we will be glad to take your payment for dues. By paying your dues at this program you will be ready for our Paid Up Membership Dinner in October that you will not want to miss. Remember the more events you participate in the more you get for your dues.

I do not know about you, but I am already excited about this great year.

Looking forward to seeing you all.

**Jackie Benn**

## With GRATITUDE...

**The Sisterhood at Shaare Tefila** bids a very fond farewell to two of our beloved and longstanding Kitchen Captains. We say goodbye to **Stephanie Buckberg** and **Freda Krosnick**. as we thank them for their generous use of their free time on many, many Shabbat mornings. They expertly assisted volunteers in the kitchen, as they tirelessly helped present countless simchas to perfection.

They helped make kiddush celebrations nutritious and endlessly enjoyable for our congregants, and we thank them for their years of volunteer service in the kitchen. Now they are free to pursue their time elsewhere. **Freda and Jay** have moved to their Bay home, having sold their home here locally. **Stephanie and Perry** now are empty nesters, and deserve some quiet time to walk their dogs, visit their sons and Stephanie's parents in Virginia Beach, without having to stick to the kitchen schedule anymore. How refreshing for both couples!

We thank them for their years of excellent service and will miss them at the helm! Mazel Tov Ladies!

Sincerely,

**Sisterhood**

## Volunteers Needed!

Sisterhood's Catering Department is looking for 1-2 volunteers who will work with **Fran Kensky** in coordinating the weekly Shabbat kiddush. **Ethel Levine** has been doing this for over 12 years and the time has come to pass along the baton.

She has been compiling a list of jobs that you'll be responsible for doing throughout the year, as they occur to her, so that you'll be ready for most situations. But, she'll also be showing you things in the kitchen with which you should become familiar, so that you can be aware of what will need to be done each season. That way you won't feel blindsided.

Please call Ethel at your earliest convenience. She's really looking forward to speaking with you as she says goodbye to this job, which has been near and dear to her heart for all of these years.
