January 2022 - Tevet/Shevat 5782

**FROM THE RABBI'S STUDY**  
**RABBI JONAH LAYMAN**

### GUN VIOLENCE

Tragically, we are becoming numb to the continued horrific incidents of mass shootings in our nation. Just last month, four more students were killed by a fellow student in a high school in Oxford, Michigan. As usual, people on both sides of the issue publicly promoted their position - either, "guns don't kill people, people do" or "institute gun control laws now."

I recently [taught a class](#) as part of my series titled "Journey Through the Jewish Year" in which I discussed the Jewish perspective on gun control. You can watch the class for more details, but essentially, as with most social justice issues, Judaism has a nuanced and practical approach. Judaism, as interpreted by the rabbis 1500 years ago, recognizes that human beings are flawed creatures. We are driven by both the "yetzer ha tov" the good inclination and the "yetzer ha rah" the evil inclination. Most of us can subdue the inherent desire to do bad and we allow religious, moral, and ethical principles to guide our decision-making. But, evil nonetheless persists in the world.

Therefore the Torah and the rabbis taught us "thou shalt not murder." They didn't teach "thou shalt not kill." The distinction is significant and crucial to understanding that we all have the right to defend ourselves and others from harm. We have the right to use force in order to protect ourselves and others from clear and imminent danger. Which means that we have the right to bear arms.

Yet we have to take that responsibility seriously and cautiously. Clearly, Judaism teaches that weapons need to be out of the hands of criminals. Judaism also teaches that background checks would be essential to ensure that only mentally and emotionally sound people would be permitted to purchase a gun. And those permitted need to undergo testing in order to prove they know how to use the weapon safely and appropriately and to do that testing regularly.

These basic rules and standards are in force in most countries around the world. These laws don't prevent people from owning guns, but they do ensure that people are safe and secure. All laws restrict behavior. But by doing so these laws ensure that we are free to pursue our basic right to "life, liberty, and the pursuit of happiness."

If you want to learn more and get involved please refer to [this page](#) of the website of the Reform Movement's Religious Action Center.

May we all "seek peace and pursue it."

With Blessings,

*Rabbi Jonah Layman*

**PRESIDENT**  
**PERRY SANDLER**

In looking back at some of the thoughts that I've shared in this column, I noticed that occasionally I comment on national and world affairs, and not in a positive way, but more of a request for all of us to overcome differences and treat each other with respect.

Believe me, I could probably find more and more examples each month to write about. But, let's skip that for now. Instead let's focus on a place where people can leave any negative feelings behind, perhaps from all of these ills that I've mentioned.

Think about the word **sanctuary**. If you look up the word **sanctuary**, you'll find language like "a place where someone or something is protected." Or said another way "the protection that is provided by a safe place." Two words are predominant in every definition – **safe** and **protected**.

So it should come as no surprise that another use of the word **sanctuary** is "the room inside a church, synagogue, etc., where religious services are held." I hope that resonates with you the way that it resonates with me. Think about it, when we come to shul, we're safe and protected. And that's the place where we worship.

I'd like to expand that even further. Even when you come to our building for purposes other than services, don't you feel the same way, safe and protected? It's not just the room that we call the **sanctuary**, it's the entire building! Maybe it's just a sense of pride, or a special place away from home, but there's definitely a positive feeling.

And even further than that, because of Covid-19 many of our services are held on **ZOOM**. Yet, somehow when you're logging in from home to one of our services, I bet that you somehow feel the same way.

I don't know if the feeling of being safe and protected in our building is some type of divine intervention (I think not), but instead I think that it has more to do with the congregation of people who genuinely care about others, and "practice random acts of kindness and senseless acts of beauty."

I am so very fortunate to be a part of our congregation.

Perry

## Calling all congregants!

**Speaking about calling:** would you like to be the recipient of a fellow congregant's call once a month or so? Just to catch up, talk, be in touch?

**Speaking about calling:** are you interested in being a congregant who calls a fellow congregant once a month or so? Just to catch up, talk, be in touch?

If one of the above is to your liking, you are in luck!

The Chesed Committee has re-instituted its friendly calling initiative.

Currently, there are 15 volunteers who are contacting 36 fellow congregants for a monthly chat.

Can we count on you to be either a recipient or a caller?

**KEEP

AND  
DO A  
MITZVAH**

We had a joyous celebration of Chanukah at Chavaya in December. Every class created an edible treat as they learned more details related to the festival of lights and freedom. The holiday fun concluded with everyone attending the **Singalong Community Chanukah Celebration**. Everyone joined Music Specialist Daniel in singing the candle blessings over the Chanukiyah, sang some songs, and listened to a beautiful performance by UMD's Acapella group Mezumenet.

Chavaya will begin again on **January 9th**. As of this writing, we will be meeting in person for a day composed of various mitzvah projects as many of our teachers will be away for their continued UMD break. **The Education Committee is meeting on Sunday, January 2nd to review the public health situation to consider the options that would best serve all the children.** Please let me know if you have any thoughts to share with me regarding this question - [you can reach me by email here](#) or by phone, 301-593-3410 x106.

## Happening Around Chavaya

**Kitah Alef** has been learning about Shabbat and all the rituals involved as they each create their own Shabbat Box. The boxes will include a usable Kiddush cup, candle holders, a challah cover, a Havdalah candle, and a spice sachet. When they complete their boxes the class will celebrate with a Shabbat party and parents will be invited.

**Kitah Dalet & Hay** have been focusing on the idea of the *Mikdash*/Sacred Place. They began with a close look at the spaces around the Shaare Tefila building and had the opportunity to design what their personal *Mikdash* would look like. The variety of designs was wonderful!

## SHAARE TEFILA YOUTH GROUP for 8-12 Grade

The December event, **Dessert War!** was lots of fun for all who participated. After a quick Havdalah ceremony, each person created cake pops or cake balls to be judged by me. **The winners in each category were:** (Cont'd on p.6)

"A winter, a summer, a summer, a winter, and before you know it the year is over." My father Zaida Jonas as you all knew him, used to say these words of how quickly the years fly by. As I became a parent and matured into my empty-nester years and now am Bubbie those words could not be truer. We are here again in what seems a blink of an eye, saying goodbye to 2021 and bringing in the secular New Year of 2022, a new year of promise and new beginnings!

Yes, I know we are still dealing with the challenges of Covid-19 in our lives as 2022 begins. However, we are starting to see our community socialize more as people begin to get their Covid-19 boosters and feel a bit safer expanding their pods to extended family and friends again. For example, some of our Chavurah/friendship groups are starting to meet in person at each other's homes or out at a restaurant for their social gatherings. In addition, we had 100 plus congregants come together for our Shaare Tefila Hanukkah lighting ceremony on December 2nd complete with delicious holiday treats, activities, sing-along, and warm fire pit to roast kosher s'mores. Thank you to **Babette Cohn**, Shaare Tefila Program Director, **Rabbi Layman**, and **Cathy Plotkin**, Programming VP, for organizing such a great Hanukkah celebration. Seasoned, new, and young congregants had such a wonderful time! We hope that this may be a sign of more events, programs, in-house services, and learning opportunities to resume back in our synagogue. As a community, we are hopeful and cautious and continue to offer all these services virtually as well.

Shaare Tefila Membership Committee hopes that you enjoyed receiving your Hanukkah holiday and outreach calls. Thank you to **Ellie Alpert**, Membership volunteer, and her holiday callers (who reach out to our community for Rosh Hashannah, Hanukkah, and Passover) for their continued support and care to our community and congregants. They are: **Deanna Alpher**, **Betty Freedman**, **Bernice Goldstein**, **Ina Goldstein**, **Don Helfer**, **Iris Hyman**, **Lenore Kelner**, **Judy Kirsch**, **Freda Krosnick**, **Bettyann Lansky**, **Shirley Liberman**, **Liane Lunden**, **Judy Peritt**, **Charlotte Potosky**, **Jacky Samuel**, **Jane Saphier**, **Elaine Schenberg**, **Charlotte Shapiro**, **Anne Shuman**, **Laura Torchinsky**, and **Beverly Weinstein**.

Good news: the Membership Committee is planning our First Shabbat Dinner to welcome us all back to our synagogue family in April 2022! Date and time of event TBD. Also being planned are outreach programs and open houses for those seeking affiliation with an embracing and vital synagogue as Shaare Tefila. Share your experiences with

friends and family of how your synagogue family has helped you get through the pandemic. Invite them to online classes, programs, learning opportunities, and purely social activities, and hopefully soon invite them to in-person gatherings. We are hopeful that this new year will bring us good health and growth to our synagogue community.

I hope when the time is right for you, you will get your Covid Booster to help keep yourself, your loved ones, and our community safe and look forward to seeing you at upcoming programs and services.

Stay healthy, safe, and connected.
