Celebrating our 71st year

Vol. 71 #10

September 2022 - Elul 5782/Tishrei 5783

**FROM THE RABBI'S STUDY**  
**RABBI JONAH LAYMAN**

### Preparing for the New Year

At the end of this month, Sunday night Sept. 25, we will usher in another High Holiday season. As the Jewish year 5783 begins that night, there is much to reflect on this past year and much for which to hope and pray for the coming year.

As our year winds down we recognize how truly overwhelming a year it was. Covid continues to affect our ability to be fully safe and healthy. The Russian war in Ukraine is still going on affecting thousands of lives and creating tens of thousands of refugees. Climate change is becoming more obvious and more dangerous with lower water levels in reservoirs out west, increased amounts of forest fires, devastating flooding and heat waves around the globe. Acts of antisemitism and other forms of racism, in all forms, are rampant. The number of incidents has increased substantially over the previous years. Civil discourse continues to get worse. People from all political perspectives spout lies, conspiracy theories and hatred in their effort to convince us that they are right and we are wrong. Gone are the days when we could have honest and interesting conversations with people of different opinions. Now, unless we turn off the news commentary on TV or turn off our social media accounts, we are inundated with hatred and venom.

Often I find myself shaking my head in wonder and despair when I read the morning paper. I ask myself, how could it be that our world has sunk so low? How can we manage to find hope in the midst of this daily onslaught? How can we find blessing in the midst of the horror? It seems impossible that one person, one life, could make a difference in the world around us.

And yet, as the Rosh Hashanah liturgy reminds us, "ha-yome ha-rat olam" - today the world was born. The slate is metaphorically being wiped clean and we have the opportunity to see life around us as starting over. We need to be reminded that we are on Earth in order to partner with God. Our religious belief system should prompt us to see God as the motivational factor and source for good and blessing. Our belief in God should prompt us to strive to be

**PRESIDENT**  
**ERIC MARSHALL**

I want to thank Adam Glaser for taking the time to write a column for the last Shofar. As most people know, we lost Lori's mother last month. It has been a very trying time for our entire family. Being a member of the Shaare Tefila community has made this process easier. Some members were there for Shiva, meals were delivered and many calls and notes from members of our community. Our entire family appreciates everything people have done to make this process just a bit easier.

So, this is the first column I'm writing as president. I am very honored to be able to serve as president for the next 2 years. There is always work to be done to make the shul thrive. I hope to be able to work with the Board of Directors and the overall membership to make Shaare Tefila a place people want to be a member of and contribute to its success.

I don't know everyone, so if you see me at an event, please come up and introduce yourself. Our family has been members for about 11 years, and we've met many members so far, but there are always people with whom we have not crossed paths.

My hope is we will be in the building on a much greater frequency than in the past 2 years. I'm hopeful for a return to a "new normal" where we all feel safe attending services and other events in person to be able to grow our community and reconnect in person.

Thank You

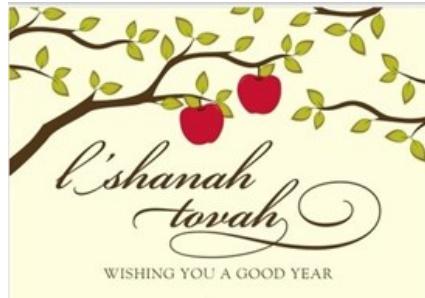

Eric

I hope everyone has had an enjoyable summer seeing friends and family as well as visiting places that haven't been open due to Covid these past 2 years. What a wonderful feeling it was to reconnect with the special people in our lives.

It's hard to believe that summer is coming to an end and our High Holy days are quickly approaching! I am sure that we are all grateful that we will soon be approaching another Rosh HaShanah/New Year filled with good health, meaningful connections, personal growth, laughter and joys, and your Share Tefila community.

Membership has been busy this summer planning an exciting year featuring several new events. We are planning a Chavurah/Friendship group brunch in the late fall (TBD) which will be back in our synagogue social hall. In addition, there will be plenty of opportunities to come back to shul for various programs, services, lectures, comedy night, and our popular Makers and Bakers programs.

*(Membership article cont'd p. 7)*

Sisterhood and Men's Club are giving Shaare Tefila members a heads'-up that there will be a shuk/marketplace in the Social Hall on November 13 from 10am-12pm. Coffee and light refreshments will be served. Sisterhood will be sponsoring this event, with an assist from the Mens' Club. There will be vendors there who will be selling jewelry, Judaica, pottery and wood crafted items, stationery, engraved glass items, aprons and potholders, candles, and much more. With Chanukah and the Holidays coming up, this would be an ideal place to shop for all of your gift giving. Plus, why not think of yourself, while you are at it? The vendors are both "home-grown" and local, so come to say hello, and see what's new in crafts' offerings. You'll be amazed how wide of a variety you will find at our shuk. Tell your friends to meet you at this marketplace!

See you there.

## A Schmear Is Not Just A Schmear

First, according to Google Dictionary . . . . “Schmear”: verb; “the bagel so perfect with a schmear of low-fat cream cheese”

The Shaare Tefila definition of “Schmear” : noun; a light snack served by the **Shaare Tefila Sisterhood and volunteers** after Shabbat services.

Currently, when we don't have a sponsor providing a kiddush after Shabbat services, the Sisterhood serves some sweets, coffee, hot tea, lemonade, and water. Everyone seems to look forward to gathering after services to schmooze and catch up with each other; this greatly enhances our sense of community. It also contributes to making Shaare Tefila the “haimish” place we always strive to be.

We would like to be able to provide a little more than a few modest sweets. These Schmears do come at a financial cost. Therefore, we are requesting those who are able, please contribute to our “Schmear Fund”; if you can send \$180 -- or any amount would be appreciated --so we can provide a kiddush about 40 Saturdays throughout the year. This will greatly defray the costs incurred and will benefit everyone.

If you are planning to contribute, please send your donation to Shaare Tefila and include a note “For Schmear” or [donate online](#). We would be grateful for any amount you can provide for this program. Your contribution will be recognized in the *Shofar*.

Our Season of Tikun Olam Continues. Thanks to everyone who generously donated school supplies for the students living at the National Center for Children and Families. Our collection for September will benefit Shepherd's Table, <https://www.shepherdstable.org/>, located in downtown Silver Spring.

They provide a variety of services to people in need. They serve hot, nutritious meals every day -117,000 meals per year!

Through a program called "Beyond The Table," Shepherd's Table has set up distribution centers in Montgomery and Prince George's counties, making it easier for families to pick up meals from more convenient locations. There's also a clothing closet, an eye clinic, a weekend HUB, and a Resource Center. For our September effort, we will be collecting NEW women's underwear and socks, disposable razors, canned food, water bottles and manual can openers. A container will be set up outside the main entrance. Please donate generously throughout September. Thanks in advance!

Several of our congregants continue to volunteer with NNIA, helping Afghan families who've resettled to our area. **Patricia Greene, Debbie Yedlin, Joyce Feinstein and Roni Polisar** (to name a few) have participated in a variety of ways including food delivery, health care advocacy, etc. We are proud of their participation and hope that others will get involved.

Stay tuned for a very interesting program coming in October on the Jewish Response to Climate Change.

Shana Tovah!

+++++

The Social Action Committee has partnered with the [New Neighbors Interfaith Alliance of Maryland \(NNIA\)](#) to assist Afghan families who have recently resettled in this area.

This effort will also extend to Ukrainian families as the need arises. Thanks to **Mike Froehlich** for taking on the role of liaison for Shaare Tefila's efforts with NNIA. Several of our members have already become active, helping families in need. We are excited to share that we applied for and received a grant from the JCRC to assist our efforts with NNIA. These funds will help us to make a difference in the lives of locally resettled refugees!

+++++

Social Action is excited to continue expanding. We now have a Climate Change subcommittee, headed by **Laurie Dubrow**! Laurie reached out via the listserv and found a group of like-minded members who are interested in learning together, supporting each other, and bringing programs to our congregation to educate us about the climate emergency. Stay tuned!

## SISTERHOOD PRESIDENT

JACKIE BENN

relaybenns@gmail.com

Hello all Sisterhood members,

Summer is now behind us and fall has arrived. That means cooler temperatures and high holidays are right around the corner. As I let you know last month, Sisterhood has a jam-packed schedule for this year. That means the earlier you get your dues in the more bang you will get for your money. A copy of the form is enclosed in this shofar and a hard copy is available at the synagogue when you come to services.

Our first event is just around the corner on September 11th. We are calling it schmooze and schmear. It is open to all women who are members of the synagogue. You could bring your membership form and check with you if you don't feel comfortable mailing the form to **Amy Schwartz**. The event starts at 9:30am and ends at 10:45am. Come for part or all of this time, if you are dropping your kids off for school. Come talk and have a light breakfast rather than having to go home at 9:30 and return by 11:00 for a meeting with school staff. If you don't have school-age kids then come and talk to some of your friends that you have not been able to see in person for a while.

Lastly, when you complete your membership form please complete the form with your intention of coming to the paid-up membership dinner on Monday October 24th. We will need to have your form received no later than October 19th to be eligible for a free dinner on the 24th of October. If you would like to attend the Sisterhood paid up membership dinner on October 24th and do not drive please contact Jackie Benn at 301-412-0694. We will still need to receive your membership application prior to October 19th along with your payment. As a reminder if you are coming to the schmooze and schmear on September 11th you can bring your membership form and check with you at that time.

Please let me know if you have any questions about either of these events. My email address is [relaybenns@gmail.com](mailto:relaybenns@gmail.com). Hope to see you all in person on September 11th.

Have a great high holiday season if I don't see you on the 11th of September.

Sincerely,

## First 2022-2023 Sisterhood Event

As we welcome in the Fall Season and our 2022-2023 Sisterhood events, get ready for some 'Schmoozing', along with an enjoyable 'Schmear', hosted by your very own Sisterhood!

Sisterhood looks forward to welcoming back our Sisterhood members and non-members to our first-of-the-season Schmooze and Schmear in-person event!

Please put the 'Schmooze and Schmear' on your calendar for Sunday, September 11, from 9:30 am-10:45 am. We will be meeting outside the main entrance of Shaare Tefila, weather permitting. If the weather is not cooperating, our get-together will be in the Social Hall.

The Schmooze and Schmear will give our Shaare Tefila 'sisters', members and non-members alike, a chance to resume some much needed normalcy, reconnecting with many friends and congregants that we have not seen in way-too-long and making new acquaintances - not to mention enjoying a great 'schmear' hosted by your very own Sisterhood, while you catch up with one another.

This event is open to ALL female Shaare Tefila members - whether you are a mom dropping your child off for Sunday school or a non-Sisterhood member and have been wondering what Sisterhood is about, come join us at 9:30 am, on Sunday, Sept 11, to schmooze with other Sunday school moms, Shul and Sisterhood members, not to mention friends!

If you are planning to come, please click on the link below, by Wednesday, September 7, to register (we want to ensure we will have enough bagels!). If you have any questions about the event, feel free to email me at: [val@iglobal.com](mailto:val@iglobal.com).

## Volunteers Needed!

Sisterhood's Catering Department is looking for 1-2 volunteers who will work with **Fran Kensky** in coordinating the weekly Shabbat kiddush. **Ethel Levine** has been doing this for over 12 years and the time has come to pass along the baton.

She has been compiling a list of jobs that you'll be responsible for doing throughout the year, as they occur to her, so that you'll be ready for most situations. But, she'll also be showing you things in the kitchen with which you should become familiar, so that you can be aware of what will need to be done each season. That way you won't feel blindsided.

Please call Ethel at your earliest convenience. She's really looking forward to speaking with you as she says goodbye to this job, which has been near and dear to her heart for all of these years.

## LIFELONG LEARNING AT SHAARE TEFILA

Fall – 2022/5783

Taught by Rabbi Jonah Layman

### SUNDAYS

**(Starting September 11)**

9:30 am – **Talmud** – This 1500-year-old text serves as the foundation for Jewish practice today. Join us as we study the section that deals with relations between Jews and their non-Jewish neighbors. No prior study of Talmud is required.

### WEEKDAYS

**(Beginning September 19) 1st & 3rd Mondays of the month** – 11 am – Join us for a discussion of current events from a Jewish perspective. This class will be recorded.

**(Beginning September 7) Wednesdays** – 11 am – Torah Study – We discuss the major topics and issues in the weekly Torah portion. This class will be recorded.

**(Beginning September 9) Fridays** – 9:30 am – Torah Class – This class has been meeting for 28 years and has been reading the Torah in English with the traditional medieval rabbinic commentaries. After all that time we are a few chapters away from the end of the Torah!

**ALL CLASSES MEET ON ZOOM**
