Kurmes Paradise Creek Nature Preserve

Discovering the natural world...

Don Miller, one of the founders of PHLT guided an Ecotherapy hike at the Kurmes Paradise Creek Nature Preserve. These guided hikes by a long time naturalist are a way to connect with nature and allow yourself to relax and unwind, while exploring fauna and flora on a guided nature walk. Hikers learn about Pocono Heritage Land Trust and the environmental benefits we deliver by preserving the beautiful lands in the Poconos ~ Join us on an upcoming hike! The Life of a Trout Stream, with Don Baylor

An Introduction to Trout Stream Ecology

Don Baylor
Fly fishing on
a Brodhead Creek
headwaters stream

Don Baylor, a longtime board member and volunteer with PHLT, met with folks at the Jonas Mountain Nature Preserve to talk about the mysterious and miraculous lives of the organisms that form the food web in Pocono streams.

- ~The basis of the stream food web
- ~The amazing life strategies and life histories of aquatic invertebrates
- ~The stream continuum concept—longitudinal succession through the watershed
- ~Coldwater & Cool water fishes
- ~Habitat requirements and stocked versus wild trout
- ~Stressors of the stream ecosystem and their effects
- ~Environmental monitoring—what the bugs and fish tell us!

Memories From the Member Fall Foliage Hike

Members of PHLT laced up their hiking boots to discover the beauty of the Delaware Water Gap from Mount Minsi. The hike was 5.1 miles on the Appalachian Trail and we encountered some rocky/rough terrain and an elevation gain of over 1,000 feet! Our hiking guides lead two groups offering options for a faster paced hike and a slower paced hike.

Help Create Brodhead Creek Heritage Center!

Have you heard?
An anonymous donor has pledged to match gifts up to \$50,000 toward construction of the Brodhead Creek Heritage Center at ForEvergreen Nature Preserve!

A joint project of local non-profits Pocono Heritage Land Trust & Brodhead Watershed Association. Construction on the center is expected to begin in late summer 2018.

At the 40-acre ForEvergreen Nature Preserve in Analomink, Stroud Township, the center will provide space for offices, environmental education, public events and nature displays. But we need your help!

The match ends Dec. 31, 2017.
