

Saint John the Baptist Philoptochos

Friends of Boston's Homeless

OPERATION SOCK DROP

Please support St. John the Baptist Philoptochos' newest outreach ministry SOCK DROP for the most vulnerable in our city of Boston. With your help and the partnership with Friends of Boston's Homeless, we will be able to provide warm socks to the many men and women living in shelters.

You can help by donating at least one pair of either men's or women's NEW winter socks. There will be a drop off basket in the church lobby. If you are unable to purchase socks, monetary donations are also welcome.

The last day to donate is December 12th

Our goal is 500 pairs of socks!

Thank you in advance for your ongoing generosity and love for the community.
