

MAKE A DIFFERENCE...

Become a SPAN Resource Parent

SRP Virtual Training Series Fall 2020

"It takes each of us to make a difference for all of us." ~Jackie Mutcherson, Teacher

Become a SPAN Resource Parent and volunteer your time to help families!

The SRP Program is an intensive training program designed to educate volunteers to assist parents of children with disabilities and special health needs in understanding their rights and responsibilities under federal and state laws.

Participants will learn strategies to access appropriate educational and related services for children and youth. Attendees, both parents and professionals, are provided with extensive training and ongoing support to help them understand the dynamics of the systems that serve children and families.
