

# MAKE A DIFFERENCE IN YOUR COMMUNITY...

## Empowering Women in Community Leadership for Healthier Families Virtual Leadership Training

### ***Become a Empowering Woman Community Leader***

The Empowering Women in Community Leadership project builds community capacity to enhance engagement and leadership opportunities for women of childbearing age to prevent Fetal Alcohol Spectrum Disorder and lead poisoning prevention.

**Do you live or work in Essex County ,(Newark, Orange, West Orange Irvington areas) , Mercer County (Trenton area), Camden County (Camden City area)**

### **Enhance Your Advocacy Skills - 4 Information sessions include:**

*Session 1: Becoming a Community Leader*

*Session 2, 3 & 4: Serving on Groups That Make Decisions: A Guide for Families* is intended to be a useful tool for anyone who is currently serving, or wants to serve, on a decision-making group. The result is a guide that focuses on developing specific skill sets using research-based strategies while being broadly applicable to a diverse audience for a more effective and robust decision-making group.
