This is a request for additional proposals for presentations and posters from researchers, practitioners, and others involved in community work for the CDS 2021 Virtual Conference, July 12-15, 2021.

Proposals related to the conference theme, “Global Challenges, Local Resilience” are encouraged, but all submissions will be given full consideration. Each 45-minute concurrent breakout session will include 1-3 accepted presentations. We will contact you regarding how your proposal might fit into these sessions and the overall conference program.
