

Letter from Larry Helminiak
SCBA Board member and Government Affairs Chairperson

October 2018

To all members of SCBA

If you are a member, you are an employer.

If you are an employer, you have employees. They respect you.

In one month there is an election. Who controls the country is actually at stake. However you feel, you should vote in November to support your favorite candidate. You should tell your employees to vote.

Don't wait until the day after the election and say, "I wish 'so and so' had won."

Whoever wins will affect your business.

Vote. And have your family, friends, and employees vote.

Larry Helminiak
