# CLEAR Miami

Community Leadership on the Environment,  
Advocacy, and Resilience

## A CLIMATE RESILIENCE LEADERSHIP TRAINING

This Miami-Dade County focused program provides graduates with a groundwork to become climate resilience educators, leaders, and innovators in their own communities and beyond.

### Participants will learn to

-  Bring voice and power to all seats of decision-making to ensure all community voices are heard and respected.
-  Expose and challenge how poverty and discrimination make communities vulnerable to climate change.
-  Effectively advocate for practices and policies that strengthen the resiliency of Miami communities.
-  Educate community members on basic climate science, threats, and solutions.

### Information

-  10-week program, starting June 12th, 2019  
3-hour sessions, once a week from 5:30-9:00pm
-  Touching Miami with Love: West Homestead  
1350 SW 4th St. Homestead, FL 33030
-  Cost: There is no fee to participate and dinner is provided
-  Free interpretation in Spanish or Haitian Creole available  
Transportation assistance also available
-  Graduates are eligible for 2 fellowships.  
Funding and technical assistance provided.
