

**JA Inspire®**

***JA Inspire helps ensure our region's students are prepared to join the workforce today and in the future.***

## What is JA Inspire?

JA Inspire is an experiential career-pathway program for high school students brought to life by our region's employers. This program exposes students to central Ohio's jobs, career opportunities, and education pathways.

Students prepare with lessons in the classroom focused on career exploration and self reflection. Upon completion, students will attend the JA Inspire career fair. At this event, students will have the opportunity to meet with local employers to learn about potential job opportunities that may be available to them both now and in the future. Local employers who attend as exhibitors will be able to meet and engage with their future talent pipeline, exposing students to a world of opportunity.

## Why Participate?

**Educators:**

- Junior Achievement is a longstanding trusted partner both nationally and in our region's youth workforce development community, serving tens of thousands of students each year locally
- JA Inspire complements the work educators are already doing in the classroom and connects students to real life opportunities
- JA Inspire is a resource for all students: those who are college bound, those who are looking to enter the workforce after graduation, and those who are still deciding

### Event Details:

**May 10, 2023**

**7 am- 4 pm**

**Lausche Building**

**Ohio Expo Center**

**717 E 17th Ave,  
Columbus OH 43211**
